Showing Authorization and Release

By my/our signatures(s) affixed below, I/we hereby authorize licensed brokers to show our house at a date and time mutually agreed upon.

I/we have educated myself/ourselves regarding the dangers of COVID-19, as well as any restrictions and preventative measures suggested or required by the State of Illinois and my local jurisdiction.

Furthermore, I/we recognized the importance of cleaning and disinfecting my/our home after the Showing, especially commonly touched areas, including, but not limited to items such as door knobs, cabinet handles, and faucet handles.

I/we hereby hold harmless and release any licensed brokers showing my/our home from any claims arising from my/our decision to allow a Showing. This authorization created hereby shall expire six months after the date hereof, or the closing date of the property, whichever first occurs.
