

Congratulations on becoming a REALTOR[®]!

One of the most innovative benefits included in your NAR membership is exclusive access to Realtors Property Resource[®]. Get started at www.narrpr.com.

The property data you need, wherever you need it

Listing, sales, valuation, assessment, deed, foreclosure, school stats, school attendance zones, FEMA flood maps, demographic information, and more all available from the RPR and RPR Mobile[™] platforms.

Branded and customizable reports that will impress clients

With RPR[®] reports, your clients will appreciate the insightful data arrangements, and you'll appreciate the speed and convenience.

What about my specialty?

Commercial

Access detailed Trade Area Reports, business opportunity charts, psychographic and consumer spending data, drive time searches, POIs, and thematic maps.

blog.narrpr.com/commercial

Broker

Brand RPR and RPR Mobile™ platforms for your company, examine trends across multiple MLSs with RPR's Data Tool, compile statistical reports on market conditions and productivity trends and more with the RPR Broker Tool Set.

blog.narrpr.com/broker

Appraiser

Starts with advanced comps selection and ends with a workbook full of timely data, including local market conditions and trends, general market health charts, inventories and comparable analyses.

REALTORS
PROPERTY
RESOURCE

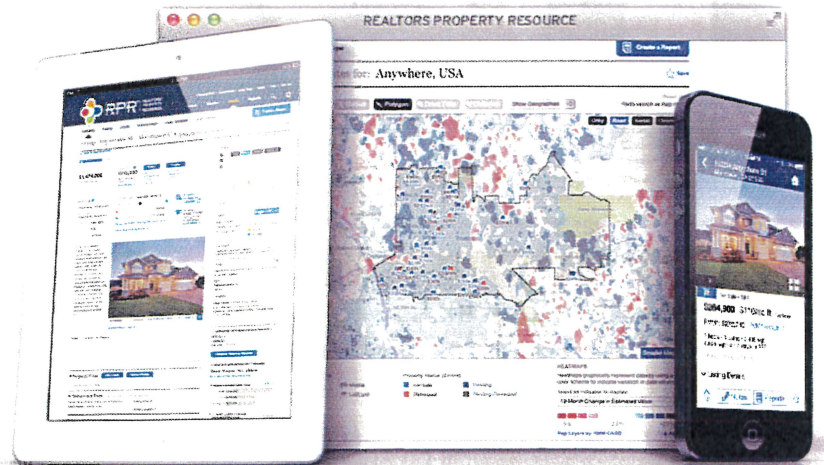

RPR® Wherever You Are

Comprehensive data, powerful reports, and dynamic tools for every segment of the REALTOR® industry

Created by REALTORS® for REALTORS®

RPR provides the data every REALTOR® needs to meet the growing demands of today's well-informed consumer.

A Bonafide Member Benefit
Included in NAR annual dues, RPR offers REALTORS® instant access to the most robust data sets and reporting tools available anywhere.

Agent

Hundreds of datasets on millions of properties

Tap into critical data such as mortgage, tax and distressed property information; school attendance zones, FEMA flood maps, demographics, heat maps and more. Then wrap it up by creating your RPR co-branded and customized report, designed to impress even the most sophisticated home buyer or seller. Access is 24/7, either online or through RPR Mobile™.

Broker

Tools that allow you to stand out from your competition

Examine trends across multiple MLSs with RPR's Broker Tool Sets. Compile reports by company, office or agent sales, listings, and distressed property transactions. Measure productivity against the market, or within your own company, all at no cost! A surefire way to set your brand apart from the competition.

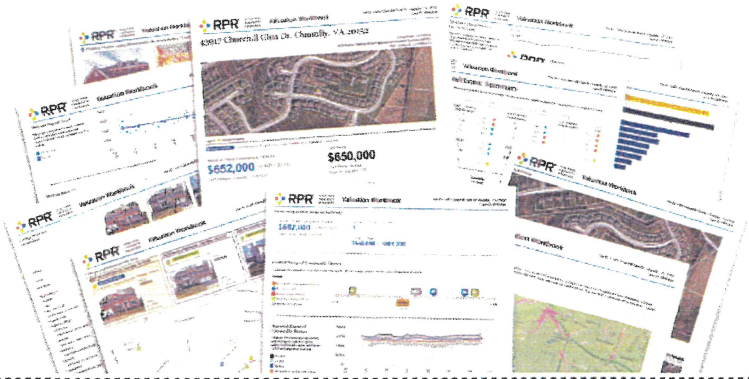

blog.narrpr.com/brokers

Appraiser

Sales Comparison Analysis and Valuation Workbook that ...

Leverage RPR's nationwide, parcel-centric database to create an in-depth workbook with ease. Advanced analysis and property valuation best practices built by Appraisers.

blog.narrpr.com/appraisers

Association

Association Dashboard and Economic Area Reports Meet and exceed NAR's Core Standards via your Association Dashboard, a dynamic set of tools that measure your local or state usage, data feeds, market information, and even news and training offered by RPR. The Federal and Local Economic Area Reports—a key feature of the Dashboard—support advocacy initiatives by GADs, FPCs, staff and volunteer leaders.
